Docket No. MC98-1

NOTICE OF FILING ERRATA TO LIBRARY REFERENCES
USPS-LR-1/MC98-1 AND USPS-LR-2/MC98-1
(July 21, 1998)

The United States Postal Service hereby gives notice of the filing of errata to two library references which were initially filed, in their hard copy form, without any accompanying electronic files. The errata consist of diskettes to remedy the shortcoming.

When the Postal Service filed this docket, it physically provided the appropriate number of copies, including library references. Two of the initial set of four library references contained diskettes with appropriate electronic files included. Electronic copies of the other two library references were provided to the Commission, however, only via email and not as diskettes. The errata accordingly consist, in the main, of diskette versions of USPS-LR-1/MC98-1 and USPS-LR-2/MC98-1.¹

One electronic file not previously provided to the Commission by either means is also included in the errata for USPS-LR-1/MC98-1. The file, SPRDSHTS.XLS, consists of the Excel spreadsheet employed by witness Stirewalt, USPS-T-3, and it is included

¹ Electronic versions of these library references are already available on the Commission's Web page as part of respective testimonies USPS-T-3 and USPS-T-4.

on the diskette for USPS-LR1/MC98-1.²

Respectfully submitted,

UNITED STATES POSTAL SERVICE

By its attorneys:

Daniel J. Foucheaux, Jr.
Chief Counsel, Ratemaking

Kenneth N. Hollies

² This file is also being emailed to the Commission for posting on its Web site.
